PERFECT HEALTH.

Health of the Woods and Fields Is In Dr. Greene's Nervura.

Dr. Greene's Nervura the Greatest of all Health Restorers and Best of Spring Medicines.

Those who live out-door life in the country and live naturally are the most healthy. It is the confinement, bad air, work and worry in offices, shops, factories and city homes which make Ill health sure. People become weak, run down, devitalized, have headaches, poor appetites, in-

pation, pass sleepless nights from which they wake tired, languid and unrefreshed. Women have nervous weakness, female complaints, discouragement and despondency. Men have neryous debility, prostration and exhaustion. In all cases the cause is the same-weak nerves and poor blood. Life and strength lie in the nerves and blood. Pure blood and strong nerves make health, strength and happiness.

Few people are fortunate enough to live in the fresh air of field and forest, but the health of the woods and fields, their wonderful healthgiving barks, roots and herbs, can be had by all in the marvellous medicine, Dr. Greene's Nervura blood and nerve remedy. This purely vegetable and harmless remedy is the most remarkable invigorator and health restorer known in the world to-day; the great regenerator of the body, strengthener and vitalizer of the nerves and brain, the best purifier and enricher of the blood known to science. Get your blood and nerves right by using Dr. Greene's Nervura blood and nerve remedy, and sound and vigorous health will surely be yours. It is the best spring tonic and restorative you can take, and will make you well and atrong quicker than any known Mrs. Edward J. Boland, Acushnet Ave., New Bedford, Mass. says:

Ave., New Bedford, Mass. says:

"I don't know what I should do
without Dr. Greene's Nervura blood
and nerve remedy. About two months
ago, being unable to sleep, and at the
same time being physically tired out and well-nigh exhausted, I began taking Nervura on the recommendation of my daughter, who had received benefit from
it. Within that short time I have also received, great
benefit and my health has been completely restored. This happy result has been due to no other reason than the use of Dr. Greene's
Nervura blood and nerve remedy."

Remember, also, that Dr. Greene's Nervura blood and nerve remedy
is not a patent medicine, but a regular physician's prescription, the
discovery of Dr. Greene, 35 West 14th St. New York City, undoubtedly the most
successful physician in curing nervous, chronic and lingering diseases, and that he
can be consulted free of charge in any case, either personally or by letter.

school last fall. Last January she complained of a man who, she said, was forcing his attentions upon her. Later stories were circulated attacking her character.

She learned of these stories two weeks ago and has been in a hysterical condition since then. Last Thursday the School Committee spent the whole day visiting her school. She was prostrated, she says, in consequence of the questions she was compelled to answer. On Thursday evening she became delirious. She was pat under guard on Friday and several times attempted suicide. Yesterday she escaped from the house and clad in her night gown ran a mile through the snow. She was traced by the pieces of her gown which she had torn and thrown away. She was finally found unconscious in a drift of snow. Her life was sayed, but she is still in a critical state. The Rev. Dr. Mudic, pastor of the Mount Carmel Church, has preferred charges against the man she accused.

"There is no income; not enough to vay clerk hire," replied the witness.

"How do you know?"

"I have given money to pay expenses."

"Isn't it a fact, Mrs. Hilton, that you know nothing of this business and that, as a matter of fact, your husband simply uses your name?"

"Yes, that is the fact."

"And you never get any money from the business?"
